Second-Hand School Book Scheme 2016

This school book scheme is run **by the community, for the community** and cannot run without your help. Please tell your friends and neighbours about this great new service. Together, we can ease the cost of the new school year for everyone.

If your books are in on the **current curriculum** and in **good condition**, why not make some extra money while helping families keep school costs down?

It's that time of year again! Why not dig out all of your old school books and see if we can get you a few Euros for them! We can take your school books **good** condition for both Primary and Secondary classes on a

Sale or Return Basis
