Students will **not** be permitted to commence supervised study halfway through a term. They may apply for a place in the next term (for the purposes of supervised study, the year is divided into 6 terms).

**This fee can be paid in full at any time or in instalments before the term commences. We would like to remind parents that payments can be made through the Easy Payment Plus system online. We encourage all parents/guardians to avail of this secure payment facility, Easy Payments Plus which can be accessed via our website on the [Easy Payment Plus Page](#). There is also a detailed user guide for new users of the Easy Payments Plus facility available on our website [Easy Payments User Guide & Information](#).**

Students will not be excused payment of a week or weeks that they are unable to attend.

- It is the responsibility of the parent to ensure that their daughter is at supervised study each evening.
- Study takes place from 4.15 – 6.45. If your daughter needs to leave early, please write a note in her journal excusing her from supervised study for that evening. Please do not arrive at supervised study looking for your daughter as it is very disruptive and distracts the other students who are present.
- If it is a case that your daughter will be absent on a particular evening every week or will need to leave study early on a given night every week, please write a note to Ms. Davitt, outlining the day/days and the time/times.
